

KARTING FOR CANCER

July 23rd, 2009 6pm-9pm

TorcUP of Canada and CanTorque Inc. are hosting the event in support of the Kids With Cancer Society and the Leukemia & Lymphoma Society. Join us from 6:00pm-9:00pm at Stratotech Park International Raceway for a night of adrenaline loaded fun.

TorcUP of Canada is a proud sponsor of Alex Tagliani and is pleased that Canadian Indy Car driver will be participating in the event, along with Nascar Driver James Van Domselaar. Guests will be able to meet the drivers, have their pictures taken, and pit their driving skills against them as they tear up the track.

What better way to kick off your Indy Weekend than being able to say that you have shared the track with these 2 outstanding driving talents?
