Edmonton, AB Canada:

“Wow, it’s hard to believe that 10 years has passed so quickly! I always tend to focus on the road ahead but as we approach this milestone I find myself looking back at the road we’ve traveled.

We started in 2000 as a single person company in my home office, now we have 2 locations and 7 employees. When we started using the Edmonton Indy as our annual hospitality event we had 4 tickets, this year we will have over 100 guests in attendance, events the whole week and very prominent placement on the #77 car driven by Canadian Indy Car star Alex Tagliani.

It is this partnership between our customers, TorcUP, CanTorque and our ambassadors like Tag that have gotten us to where we are today.

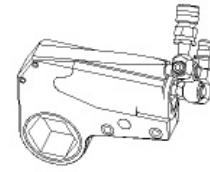

But the time for reflection is over, now it is time to go racing!” - Colin Livingston TorcUP of Canada

John Kovacs (President of TorcUP Inc.) and Eric Sement (International Sales Manager TorcUP Inc.) will be attending the Edmonton Indy race in support of TorcUP of Canada and the FAZZT / Alex Tagliani team!

TorcUP of Canada is proud to be a part of this racing legacy. **TorcUP of Canada**, based in Edmonton, AB is the Canadian factory office for TorcUP Inc., which is headquartered in Easton, PA. TorcUP specializes in the supply of industrial torque tools and accessories covering a range from 100 - 60,000 LBF/FT (foot pounds) and nut sizes in excess of 10".
